"The wisdom gained through the ages of mankind— apply those principles to golf—my, how my dad would love this book! I think you will too."

-TINSLEY PENICK

The Secrets To The Game Of Golf & Life reaches into the soul of every golfer. The theme here is that the game mirrors the game of life and the lessons learned are interchangeable. The author Leonard Finkel and the artist Gary Max Collins, have poured their hearts into this stunning collectable collection. 50 magnificent oil paintings create a setting which form the seven underlying themes on Awareness, Acceptance, Golf as Life, Mental Focus, Positive Attitude, **Enjoyment and Visualization.** These 112 pages contain the Essence of Golf & Life.

"Have realistic expectations and set attainable goals. Reaching intermittent, moderate goals is certainly more rewarding and intermittent.

"Maintain an attitude of unconditional self-worth, free from self-criticism. You can agree that it is cruel and unnecessary to tell someone else. You are really stupid – what a klutz – you should give up – you keep making the same mistakes – you'll more should give up – you keep making the same instakes. You'll more he any good! If you would never say those things to anyone else, why not pay yourself the same courtesys."

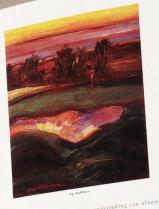

Don Nillionam

"The price of success is hard work, dedication to the task at hand, and the determination that whether we win or luse, we have applied the best of ourselves to the task at hand,"
